Aurora, Ill.

My Dear Mr. Redman,

Your letter received and we are glad to hear from you again. We still have the 1793 Liberty cap, price \$75. We also have an extremely fine 1807 over 1806 cent, beautiful color at \$35. The other dates you ask for we do not have at the moment. Nor do we have any large cents by the hundred. They are very difficult to get in this market. Everyone seems to be holding on to what they have.

We are still doing business and shall be glad to hear from you again. Thanking you for the inquiry, we are,

Yours very truly,

Redman, E.

My Dear Mr. Redman,

Your letter returning the 1793 cent received and we are sorry it did not meet your expectations. The cents of this variety are always struck weakly and this is looked upon as a pretty good example. However, we are glad to refund your money for which we enclose check for \$75. herewith.

Thanking you for the order and hoping for better results next time, we are,

Yours very truly,
